

Nnaoma Okemmiri

Avondale, AZ 85323 | 602-524-0710 | nookemmiri@gmail.com

CAREER SUMMARY:

I am a coding student with a strong foundation in front-end development. I am certified in HTML and CSS. I am seeking an internship to apply my skills to a professional environment to support websites and gain more experience in the coding world.

CERTIFICATIONS:

- Information Technology Specialist (ITS) - HTML and CSS | 2025

TECHNICAL SKILLS:

Programming and Website Development:

Languages:

- HTML5
- CSS3
- JavaScript
- Responsive design, accessibility, UI/UX Designs

PROFESSIONAL SKILLS:

- Balanced a rigorous 900 hour coding program at West-Mec with school work.
- Participated in in-class projects, explaining design choices and taking in feedback to improve website function.
- Helped to debug CSS layouts to create a responsive layout for all screen sizes.

EXPERIENCE:

Coding Student @ West-Mec | West-Mec Central Campus, Glendale, AZ | 07/2025 - 05/2026

- Collaborated with a team of 2 students to create and design a fully functional lost-and-found website using HTML, CSS, and JS
- Utilized CSS Flexbox and Grid to construct a dynamic e-commerce home page, demonstrating proficiency in modern layout techniques.
- Completed in-class web projects during a daily 2.5 hour coding class whilst balancing school work.

Community & leadership experience

- Competed in FBLA and team-building activities
- Participated in volunteer events at West-Mec Central Campus, including hosting open-houses.
